

Negocio de producción de muebles

Negocio de producción de muebles

Una empresa consolidada, con una presencia de 10 años en el mercado de la fabricación en serie de muebles PAL y MDF. El elemento diferenciador viene dado por la propuesta de valor que este negocio presenta a sus clientes: Servicios personalizados y productos modulares que satisfacen cualquier demanda en cualquier espacio. La producción se lleva a cabo en unas instalaciones alquiladas, con contrato en firme por un período de 5 años, mientras que la relación con los clientes se gestiona mayoritariamente online, a través de su propia web y página de Facebook. Los canales de venta son tanto propios como indirectos, a través de socios clave (eMag, Vivre), con los que la empresa trabaja desde 2016.

La empresa se dedica a la producción de muebles de aglomerado a medida para cualquier espacio, necesidad y preferencia estética. Desde pequeños muebles hasta piezas de 220 cm, los clientes pueden elegir cómo amueblar su salón, dormitorio, pasillo, despacho o cocina.

- Los procesos productivos están totalmente automatizados, con un alto rendimiento, lo que permite producir un elevado volumen de piezas terminadas en muy poco tiempo. La fabricación de muebles a medida, especialmente piezas de gran tamaño (específicas para un vestidor, por ejemplo) es un activo importante de este negocio;
- Poder ofrecer a los clientes servicios de consultoría fue, desde el principio, un pilar del negocio, basado en el soporte personal u online, a través de los canales de comunicación digitales.
- Venta en línea a través de su propio sitio web o de las plataformas eMag, Vivre;
- Embalaje con toda la tornillería e instrucciones de montaje, entrega en paquetería, en forma de kit (tipo Ikea), y transporte de piezas al cliente, con cobertura a nivel nacional.

Los activos tangibles están compuestos por equipos y maquinaria específicos de producción, algunos de los cuales se enumeran:

- circular para cortar
- máquinas de aplicación de peraltes
- taladro múltiple con 4 grupos de trabajo
- Taladradoras CNC

Su flota propia de coches está compuesta por 3 furgonetas Ford de 3,5 toneladas, todas ellas adquiridas nuevas. En el momento del análisis empresarial, el cuarto coche adquirido pronto completará la flota.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
