

# Fabricación de Piezas de Máquinas e Ingeniería para Fabricantes

## Fabricación de Piezas de Máquinas e Ingeniería para Fabricantes

Situada en el Valle de San Joaquín, California, esta empresa es un proveedor profesional de larga trayectoria de servicios de taller mecánico, ingeniería y fabricación a medida. Las principales líneas de productos y servicios consisten en ingeniería personalizada, fabricación de maquinaria y piezas, herramientas y equipos de envasado y procesamiento de alimentos, así como piezas y equipos de automoción. Utilizando equipos de Control Numérico Computarizado (CNC), la empresa puede fabricar y diseñar piezas y soluciones para casi cualquier industria; sin embargo, la mayoría de los ingresos proceden de la industria de envasado y procesamiento de alimentos.

La empresa opera en una tienda de casi 9.000 pies cuadrados. Las instalaciones incluyen oficinas, tiendas y almacenes, disponibles para alquiler o compra. La propiedad ha prosperado en un sector que ha experimentado un cambio tremendo en los últimos quince años, con la transición hacia pedidos de gran tirada, que pueden ser gestionados fácilmente por un equipo más pequeño. Este enfoque les permite mantener un negocio sólido y diversificado, al tiempo que disfrutan de mayores márgenes y menos desgaste del equipo.

La base de clientes está formada principalmente por grandes empresas regionales de plantas de procesamiento y envasado de alimentos que necesitan servicios de mecanizado e ingeniería. Otra base de clientes incluye clientes de la industria industrial, automovilística y agrícola. La empresa también es capaz de prestar servicios de reparación de piezas y máquinas a sus clientes bajo demanda y mediante acuerdos de nivel de servicio. Al ofrecer servicios de reparación, la empresa mantiene una presencia aún mayor en el mercado al capitalizar todas las necesidades de reparación e ingeniería de piezas de sus clientes.

En 2021, los ingresos totales fueron de 702.066 \$, con unos Ingresos Discrecionales del Vendedor de 269.611 \$. La previsión de ingresos para 2022 es de 750.000 \$, redondeada.
