$0

EBITDA
$0

BUSINESS TYPE
Minería

COUNTRY
Austria

BUSINESS ID
L#20210100

Austria es un país muy amigo de la minería. El plan del gobierno austriaco para los recursos minerales incluso sirvió como modelo para un aviso de la UE. a sus estados miembros. ¨En la UE el marco regulatorio debe estructurarse de tal manera que fomente el suministro de recursos minerales de fuentes europeas. ¨

- 99 reclamaciones otorgadas cerca del pueblo de Oberzeiring en un área total de aproximadamente 35 km2
- En la época medieval, Oberzeiring era una de las minas de plata más grandes de los Alpes orientales. Con un alto contenido de oro, cobre, plomo y zinc en el mineral
- La inundación de los trabajos mineros en 1361 provocó el cese de las actividades mineras. Los intentos de desaguar la mina durante los últimos siglos no han tenido éxito. Debido a la tecnología inadecuada disponible durante ese tiempo
- Leyes registradas de hasta 114 g/t de oro y 4000 g/t de plata
- Alrededor de un centenar de trabajos mineros artesanales se encuentran cerca de la capital minera medieval. Dentro del área de propiedad del proyecto. Que parece estar asociado con fuertes anomalías geofísicas magnéticas e IP
- Mineralización rica en Au-Ag-Sb-Cu-Zn-Pb-Fe-Barita, también Ge-Ga-In, clasificada como materia prima crítica en la UE
- El muestreo de verificación de septiembre de 2019 asociado con la preparación de un informe técnico NI 43-101 arrojó valores de hasta 6,4 g/t de oro y 384 g/t de plata
- El distrito en su conjunto nunca ha sido objeto de ningún trabajo de exploración moderno ni de ningún programa completo de perforación diamantina
- Buenos contactos con las autoridades locales y los terratenientes, la reanudación de las actividades mineras es bienvenida en la región

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
