

Proyecto de Minería de Oro

Proyecto de Minería de Oro

Esta inversión se llevó a cabo en la ciudad de Najran, en el Reino de Arabia Saudita y en manos de ciudadanos saudíes que notaron la oportunidad y el gran valor de la fortuna mineral de sus tierras. Dos mentes brillantes tomaron la iniciativa de iniciar su propio negocio minero en su tierra natal y ahora están en el proceso de convertir este negocio en una de las minas más importantes del Reino de Arabia Saudita bajo la supervisión del Ministerio de Industria y Recursos Minerales y la guía de la visión de Su Alteza Real el Príncipe Mohammed bin Salman para la visión del Reino 2030.

Alcance del Trabajo

La primera etapa requeriría invertir en 6 sitios diferentes en los que se extraerían los siguientes minerales:

Sitios Mineros:

Mina de mineral de hierro: un sitio con más del 70% de porcentaje de hierro.

Mina de Oro: Requiere estudio y relevamiento geológico para encontrar reserva dentro de los próximos cinco años.

Mina de sílice: Necesita un estudio y estudio geológico para encontrar reservas dentro de los próximos cinco años.

Cada sitio incluye plantas de transformación, refinación y almacenamiento.

Cada sitio está organizado y depende del ministerio de Industria y Recursos Minerales.

Planes y Permisos

Los permisos y estudios geológicos están en proceso en este momento y el gobierno los facilita en apoyo de la nueva visión de 2030. La visión del Reino de hacer crecer el sector industrial es uno de los factores críticos en el éxito de esta inversión. Cada sitio es arrendado por el gobierno por más de 20 años y es prorrogable. La tasa de arrendamiento está respaldada por el ministerio y es razonable.

Requisitos de inversión

- La mina de oro requeriría una inversión de 6 millones de riales saudíes
- La mina de mineral de hierro requeriría una inversión de 40 millones de riales saudíes. La mina de sílice requeriría una inversión de 15 millones de riales saudíes
- En total, se espera que la primera inversión aproximada ascienda a unos 61 millones de riales saudíes
- Asociación y retorno de la inversión (ROI)
- A los dueños de negocios les gustaría ofrecerle una asociación mediante la inversión en su negocio minero
- El retorno esperado de la inversión es alto, y esta oportunidad sería única en la vida para expandirse a la minería registrada en Arabia Saudita

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
